What each service pays (all four payers pay the IHCP fee schedule; codes and modifiers must match the Notice of Action exactly)				
Attendant care, agency S5125 U7 UA · \$8.59 per 15 minutes (\$34.36 an hour). EVV required. At least 70 percent of the rate must reach direct service compensation (since July 1, 2025, with attestation). Paid relative caregivers of adults: 40 hours a week cap and hour by hour activity notes.		Home and community assistance, agency S5130 U7 UA · \$7.93 per 15 minutes. EVV required. Not payable in a month that paid SFC for the same member.		Structured family caregiving S5140 U7 with U1, U2 or U3 · \$77.54, \$99.71 or \$133.44 per day by assessed level. No EVV. Claim note NAME: and REL: required on every claim. At least 60 percent of the day rate to the caregiver stipend. Daily notes kept electronically; 8 hours of caregiver training a year; two coach or RN home visits within two quarters.
Three habits that keep money moving. Bill one calendar month per claim detail. Confirm the visit shows Verified in the Aggregator before the batch leaves. Set the EVV payer ID on every client record to the plan that pays them (INATM, INHUM, INUHC, INFSSA); a wrong ID is a denial. Service plans are reviewed at least every 90 days; a claim for an unauthorized service is denied by the plan.
