

Indiana residential provider calendar, October 2026 to March 2027

NAHL TECHNOLOGIES INC. · INDIANAPOLIS · OCTOBER 2026

Every dated obligation and change for a CIH and FS residential provider, with its source. Standing rules first, then the dates.

Already in force (carry these into every month)

SINCE	RULE	WHAT IT MEANS ON A SHIFT	SOURCE
Jan 1, 2026	Every DSP serving under CIH or FS must be certified on the HCSP Training Registry. Initial certification lasts one year; first recertification is due 9 to 12 months after completion, then every 18 to 24 months.	No certificate, no shift. Certificates earned in fall 2025 come due between now and January 2027; the state has published no reminder calendar.	HCSP FAQs (June 30, 2025); Self-Direction HCSP FAQs; IHCP bulletin BT202613
Jan 1, 2026	interRAI replaced the LOCSI as the level of care tool; Behavioral Support Services rebuilt with state templates, a 144 hour plan year cap and quarterly authorizations.	Behavioral plans and quarterly reports on the state templates only.	IHCP bulletins BT2025168, BT2025169, BT202674
Aug 1, 2026	Waiver amendments: case notes within seven calendar days of an activity or event; paid relative caregivers capped at 40 hours a week across RHS Hourly, Respite and Workplace Assistance; remote supports must be staffed by awake, alert remote support professionals; documentation standards updated inside the service definitions.	The seven day rule binds case managers, so they will chase your incident paperwork and plan documents faster. Family DSPs tracked against 40 hours across all three services.	CIH fact sheet, August 2026; 2026 waiver approval announcement
Aug 1, 2026	Statewide moratorium: no new HCBS provider certifications or enrollments; existing providers cannot add counties, add covered services (RHS, PAC, Respite, Day Habilitation, Behavior Management included) or change ownership. Six months, extendable. Remote Supports is not on the covered list.	Growth this winter comes from the homes you already run. Remote overnight supports remain open.	IHCP bulletin BT2026124
Aug 1, 2026	Five case management organizations serve every CIH and FS participant: Aging and In-Home Services of NE Indiana, IPMG, Inspire, Unity of Indiana, The Columbus Organization.	New faces sending NOAs and asking for incident follow ups.	FSSA BDS toolkit; The Arc of Indiana
Standing	Reportable incidents, including inadequate staff support for an individual, including inadequate supervision, with the potential for significant harm, injury or death, must be reported within 24 hours; the BDS training FAQ adds that an incident is reportable regardless of whether staff were present; the case management provider follows up within 7 days and every 7 days until resolved.	An uncovered shift can itself be a reportable incident.	460 IAC 6-9-5; BDS incident training FAQs
Standing	Provider attestation in the BDS Portal at least quarterly; provider profile kept current.	Suggested internal dates: December 31 and March 31.	FSSA BDS developmental disabilities page, July 24, 2026
